

FiberMania Sponsor Form

The success of many shows and events can be directly attributed to those that lend their sponsorship. The FiberMania Show Committee thanks you for your consideration in sponsoring our event.

For \$50.00 you will receive a yearlong web presence on the FiberMania website's Sponsor Page. All of our sponsors will be recognized and thanked several times throughout the event that will be held November 12-13, 2011 at the Josephine County Fairgrounds. In addition, you may designate a class or demonstration to which you would like your sponsorship to be linked. An announcement of this will be made when the class or demonstration takes place.
